Celebrating Unity and Success:

IFA 2023 and Community Achievements

In June, Asha Niketan experienced remarkable success and unity at the International Federation Assembly (IFA 2023). The Earth, Water, Air, and Fire editions brought inspiring themes and meaningful presentations, culminating in a joyous celebration of togetherness. At home, all communities are moving forward with renewed vigor, holding meetings at various levels. Congratulations to the new leaders and members assuming key roles in our communities. We eagerly anticipate the release of the Second Edition and the upcoming GB Meeting in Bangalore. Gratitude to Ravi Victor for his exceptional leadership in Asha Niketan Asansol community.

The International Federation Assembly (IFA 2023) was a super success, thanks to all the activities and celebrations and participation by our Core members and care givers.

Day One was the Earth Edition with the theme 'Bring the world together'. L'Arche Kenya's dance was simply superb. If you have watched the celebrations, this is the link: vimeo.com/838068478.

Day Two, Water edition highlighted the importance of water in and around communities. After 3 years of 'listening, speaking and sharing' with communities, L'Arche finally got a new Charter with a resounding 97% of voters saying YES to it.

Day Three, Air edition saw the presentation of the mandate of L'Arche (2023 – 2028) and the presentation of candidates for the International Stewardship Board.

Day Four, Fire edition saw Stephan and Stacy pass on the flame to Sylvain, the flame they'd carried since Belfast. Thanks for all that you've done to India, Stephan and Stacy.

Day five, celebration. So much had happened during the past 5 days and during the celebration, everyone came together and celebrated as people with and without disabilities the fact that we are together in the world.

At home too, things are looking on to the brighter side. I'm happy that the Second edition is being released in July, during AGM.

All communities, Asansol, Kolkata, Bangalore, Chennai and Nandi Bazar are moving forward with renewed vigour with community level meetings, GC level meeting and National meetings.

Congratulations to the new Chairperson in Asansol, Mr Gautam Chaudhuri and to Mr. Tapas Ghose, Treasurer, and Mr. Pratik Rai, GB member. Lozilo Kikon on assuming the leadership in Chennai community, Smrithikana, on being given a second mandate.

Looking forward to meeting you all for the GB Meeting scheduled to be held at Bangalore on 29th and 30th July 2023.

**Thank you, Ravi Victor for leading

Remembering Usha Akka

On June 10th, we marked the 3rd Death Anniversary of Usha Akka, a valued member of our organization and sister to Ramesh, a core member and the founder's son. Usha Akka's impactful contributions as a dedicated social worker and her unwavering support for the Chennai community will forever be cherished by the Asha Niketan family. Ramesh's yearning for her return continues, as he watches the roadside, calling out her name. We honor her memory with a nurtured coconut tree, wishing her eternal happiness.

During the workshop facilitated by our assistant, our core members created a range of products that promote geriatric activities. Engaging in their favorite games and relaxation techniques, our members actively exercised and maintained their well-being. The garden activities proved to be highly rewarding, teaching valuable life skills to the core group. Under the guidance of the assistant, they became self-reliant, learning to sow different greens, leaves, and even create brooms. These activities fostered physical health improvement and independence among our cherished core members.
